Welcome to OfficeMax® Managed Print Solutions.

Managed Print Solutions is about partnering with you to discover how to get the most out of your printer and copier fleet.

Utilising our technology, software and document solutions, automated toner and paper replenishment services and support desk, we'll help you find the right solution for your business.

OfficeMax® is committed to building partnerships with our customers through our Managed Print Solutions offer; Strong, Multi-Layered and Flexible...much like a rubber band ball!

RETHINK EFFICIENCY. THINK OFFICEMAX®.

RETHINK CONTROL.

With OfficeMax® Managed Print Solutions, you'll enjoy many benefits including:

- **LOWER TOTAL COST OF OWNERSHIP** through equipment rationalisation, balanced deployment, consolidated spend and workflow solutions
- **PRIORITY SERVICE RESPONSE** with national fleet coverage supported by our market-leading Service Partners, Service Level Agreements and Help Desk to minimise your risk of downtime, additional service costs and office disruptions

RETHINK FLEXIBILITY.

Our Managed Print Solutions program is designed to offer maximum flexibility and accommodate any changing needs as they arise in your business. We'll work with you to keep you up to date with the latest innovations in technology, software and document solutions as they're introduced into the market. An OfficeMax® Managed Print Solution will ensure that your printer and copier fleet is flexible enough to handle whatever the future may bring.

- **IMPROVED PRODUCTIVITY** with advice from our Managed Print Solutions experts on the most suitable equipment, technology features, document management and software solutions to enhance your workflows and develop world's best practice in your business
- **IMPROVED ENVIRONMENTAL SUSTAINABILITY** through reduced energy consumption and user behaviour initiatives
- **STREAMLINED DOCUMENT MANAGEMENT** with enhanced workflows through eArchiving and eProcessing.

RETHINK EFFICIENCY.

Want to have greater visibility of your printing fleet?

Our Fleet Management software is a powerful data collection agent that enables streamlined auditing and ongoing proactive management of your printing fleet. Our software makes it possible to automate the billing and consumables fulfilment process saving you time and money whilst also giving you full fleet visibility.

Here is just some of the information we can provide you with:

- Automated Page Counts and Billings
- Cost Centre Management
- Automated Toner & Paper Fulfilment
- Asset Tracking
- Device Status
- LCD Readings
- Trend Reporting and
- Environmental Reporting.

RETHINK SOLUTIONS.

Struggling to find the right provider to service all your printing needs?

OfficeMax® Managed Print Solutions can assist you with everything from printing to archiving, cost recovery, faxing, scanning, production, forms, quota, security and much more.

Our Team will work with you to scope, develop and implement the right solution for your business.

OFFICEMAX® MAKES DOCUMENT DISTRIBUTION SIMPLE

RETHINK SERVICE.

Want to receive dedicated support and service?

Our Managed Print Solutions Team will proactively manage your fleet ensuring that our solution meets your ever-changing needs. You'll receive access to our quarterly InSight Reports and be regularly informed about relevant technology and solution innovations in the marketplace.

RETHINK ENVIRONMENT.

Helping the planet is everyone's responsibility. Let us help you be greener.

OfficeMax® can help you reduce your energy, toner and paper consumption through our modern equipment fleet, user behaviour initiatives and eSolutions. Our manufacturing partners pride themselves on their environmental initiatives assisting you to reduce costs, as well as making a difference to the planet.

Why OfficeMax®?

At OfficeMax®, we focus on listening to you and understanding what's important to your business. When you buy your office products, technology needs, medical, café and cleaning supplies from us, you can be assured of a **relevant range** from a **dedicated support team** who demonstrate **understanding, transparency** and **integrity** in the way they do business.
